

# Rosary to Mother Mary

As through the prophesies at Fatima and Medjugorje Mother Mary again tells us, "World Peace is at a critical stage", "I need your prayers... I cannot help the world without you."

**Hail Mary, full of Grace,  
In your Immaculate Heart  
Our trust, we place.**

**Hail Mary, full of Grace,  
In your Immaculate Heart  
Our trust, we place.**

**Hail Mary, full of Grace,  
In your Immaculate Heart  
Our trust, we place.**

*For Most effect repeat for at least  
15 minutes daily.*

"I am calling you to love....Today I invite you to start working on your hearts.... Clean your hearts with love....In the power of love you can do those things that seem impossible to you."

"Know that in the moments you recite the rosary undisturbed, unmoved and in attunement with my Immaculate Heart, I may enter and become one with you and perform for you necessities of the hour, healing with direction and guidance and comfort for your hour of trial."
